

# Assignment 3

Introduction to Linear Algebra

Material from Lectures 7 - 11

Due **Sunday, February 27**, 2022

---

Do the following exercises from the lecture notes:

- Lecture 7: 7.1, 7.7
- Lecture 8: 8.1
- Lecture 9: 9.3, 9.5
- Lecture 10: 10.4, 10.5
- Lecture 11: 11.4, 11.5

*Note: In this assignment, and future assignments, you are not required to show elimination (row reduction) steps. It is suggested you still do the individual steps, so that you understand what is going on.*
